 - (b) In each age category, an Archer will only compete in one equipment category.
4. **Competition:**
 - (a) The format for the three-day competition will be decided by the local Archery club, in consideration of their particular shooting facilities.
 - (b) For example – the suggested standard format:
 - Day 1: A Canada 900 Round.
 - Day 2: Two x 20 animal targets, marked distances, in a 3D flat field Round, on the same field used for the Canada 900.
 - Day 3: A 450 Round at 50m, 40m, and 30m shot on a FITA 80cm diameter target.
 - (c) A 450 round at 50m, 40m, and 30m shot on a FITA 80 cm diameter target or a half field round shot on 12 targets of varying distances with 3 arrows per target.
 - (e) The number of X's obtained during competition will determine placings. If a tie occurs, then a predetermined shoot-off format will be followed.
 - (f) Participants may wear whites, clothing that represents their Zone colours, or clothing suitable for Archery competition.

5. Medals:

- (a) Gold, Silver, and Bronze medals will be awarded to the top finishers of the two days of target competition (Day One and Day Three combined) in each equipment category and age category.
- (b) Gold, Silver, and Bronze medals will be awarded in the 3D competition in each equipment category and age category.

6. Qualifying at the Zone Level:

Each Zone will hold a Canada 900 Round qualification, even though there may be insufficient Archers to make a full team. The qualification round will be shot before May 15. Trials are required so that inexperienced Participants may be familiarized with tournament procedures, prior to the actual Seniors Games. If unable to attend a Zone shoot-off, a Participant may, with prior permission, attempt to qualify for the BC Seniors Games through participation in another Zone's shoot-offs, but he/she cannot represent that Zone in the Games.
